## We start 'em young at Sporting Field Farm

Harry Boyden, age 5 years, son of our herdsman, Neal Boyden, and Archwood Chief x, son of Commander-in-Chief x. This is the sensational calf that sold at three weeks old for \$2900 to Archwood Farms in the 1952 Oakwood Sale. He is out of the 1951 Congress champion female, Sporting Field Clara x by Riverdale x.

The beautiful home of Mr. and Mrs. W. H. McCeney, Jr., at Sporting Field Farm where all lovers of Polled Shorthorns will be welcome on May 8.

Sporting Field Polled Shorthorns are built and bred right. They are modern in type and backed by bloodlines that insure the reproduction of modern type. They are produced without pampering and under most healthful conditions. This herd is officially accredited by the State of West Virginia for both Tuberculosis and Bang's Disease.

A family group . . . Mr. and Mrs. W. H. McCeney, Jr., owners of Sporting Field Farm and their two lovely daughters, Jenny and Joy.

Welcome to Sporting Field Farm! It is a great thrill to invite friends from all over North America to meet with us at the farm each year. We want you to be our guest whether you buy or not. We believe in Polled Shorthorns for two reasons, first, because they seem to have wrapped in their beautiful hides all the things that make farming and ranching both pleasant and profitable, and second, because they have brought to us a circle of friends whom we believe to be the finest people on earth.

We are very pleased over the reports we have received from the cattle we sold in our first auction, held a year ago. That they have done well for those who bought them there can be no doubt. We are confident that the 43 beautiful individuals in our Second Annual Sale will work improvement wherever they go and will help to build a better breed.

We hope you will be with us on sale day.

*Mr. & Mrs. W. H. McCeney, Jr.*

## here's why you won't want to miss the Second Annual SPORTING FIELD SALE

**Because—**The most careful buyers in the country indicated in our 1952 sale that they liked the sons and daughters of Riverdale x, Cherry Hill Souvenir x, Commander-in-Chief x and Cherry Hill Royal Mirth x. We will sell a lot more of them this year.

**Because—**Four daughters of Cherry Hill Souvenir x sold at an average of \$2,012.50, a record for the daughters of one sire in one auction sale. Eight head of bulls and heifers by Riverdale x sold at auction have averaged \$1,228.00. We will sell a lot more just like them this year.

**Because—**The Sporting Field herd, one of the strongest in America, is officially accredited for both Tuberculosis and Bang's.

Some valuable producers at Sporting Field Farm. From left to right: Lynnwood Nonpareil 2d, Red Oak Orange Blossom 30th, Lancaster of Zendale, Cherry Hill Rosewood A, and Clara 12th.

*This sale will feature the get and service of these five great sires:*

**Riverdale x**, the \$5,000 son of Lynnwood Nugget x

**Commander-in-Chief x**, whose calves won first prize in the get-of-sire class at the 1950 and 1951 International Live Stock shows

**Cherry Hill Souvenir x**, a famous son of Collynie Compact x out of Max-walton Pauline 39th

**Sporting Field Chief x**, the son of Commander-in-Chief x that won reserve championship at the 1951 Ohio State Fair

**Cherry Hill Royal Mirth x**, one of the greatest breeding sons of the famous Edellyn Royal Leader 2nd, dam by Oakwood Commander x.

**Edellyn Royal Leader 2nd**

**You will find more of the blood of Edellyn Royal Leader 2nd and the famous Cherry Hill herd at Sporting Field Farm than anywhere else in the country. Note the generous amount of this blood in this sale.**

These three calves sired by Riverdale x were consistent winners in the junior get-of-sire class at 1951 shows.

### Two Important Polled Shorthorn Days

The Second Annual Sale at Sporting Field Farm, Capon Bridge, West Virginia, will be held on Friday, May 8th. Following the sale all guests are invited to a "get-together dinner" in Winchester, Virginia. This dinner is sponsored by W. H. McCeney, Jr., and the members of the Shenandoah Valley Polled Shorthorn Breeders' Association. On Saturday, May 9th, the Shenandoah Valley Association will hold their Annual Spring Sale at Winchester. The two sales are only 20 miles apart.

**Please note**—I had the pleasure of inspecting the Polled Shorthorn steer that will be consumed at the "get-together dinner" on the night of March 9th. Bill McCeney is giving him all he can eat and beef from this steer should really be worth a cross-country trip.—Hal Longley, Sale Manager.

## *Did you know that . . .*

the first eight sons and daughters of Riverdale x offered at public auction sold for an average of \$1,228 and were bought by the most discriminating breeders in the country? We are selling two bulls and eight females by him in this sale.

The heifer Sporting Field Clara x, pictured above, a typical daughter of Riverdale x, was purchased by Oakwood Stock farm at \$2,025 after winning grand championship at the 1951 National Polled Shorthorn Congress. She produced the sensational bull calf Archwood Chief x that sold at \$2,900 to Archwood Farms in the 1952 Oakwood Sale, highest price ever paid for a three-weeks-old calf. The calf is a son of Commander-in-Chief x and is a half brother to our great junior sire Sporting Field Chief x. A recent picture of Archwood Chief x appears on the opening page of this catalog.

Riverdale x is recognized by good cattlemen everywhere as one of the top sires of the Polled Shorthorn breed. After winning grand championships at the 1946 Illinois, Iowa and Nebraska State Fairs, he was returned to the Hultine herd where he sired their top calves. We paid \$5,000 to secure him in 1948 and have never been sorry. His calves of either sex are the kind upon which successful herds may be founded. We are selling eight head by him in this sale.

Cherry Hill Souvenir x was purchased as a calf by Foster M. Reeder in the 1947 Cherry Hill Sale. Immediately thereafter he was exhibited at the International Live Stock Show where he won first prize in the junior bull calf class. We acquired him when we bought the West Hatton herd and, in our opinion, he was worth the price we paid for the entire herd. He is truly a wonderful sire of both bulls and females as you will see on sale day. We offered four of his daughters in our 1952 sale and they sold at an average of \$2,012.50, a record for the daughters of one sire in one sale. We are selling two bulls and seven females sired by him in this auction.

On this page we show two pictures of West Hatton Lavender 10th x. This daughter of Cherry Hill Souvenir x was purchased in our 1952 sale by Lynnwood Farms, Carmel, Indiana, for \$4,000, highest price on record for a Polled Shorthorn female up to that time.

# A Sale YOU Should Attend

**I**T TAKES a herd of large proportions and much better than average quality to produce a top annual sale offering. Such a herd is maintained at Sporting Field and the breed is fortunate to have this source of supply. Those who bought in the sale a year ago secured very valuable seed stock and I predict equally fine results from the cattle whose pedigrees appear in this catalog.

The Sporting Field herd was originally founded on top females selected from the Cherry Hill, Oakwood and Hultine herds. The first herd bull, the \$5,000 Riverdale x, was purchased from Albert Hultine & Sons, Saronville, Nebraska, after he had won grand championships at the Illinois, Iowa and Nebraska State Fairs and after he had been used liberally in the Hultine herd. He is still in service and the record of his calves gives him a rating among the topmost sires of the day. Through the purchase of the entire herd of Merritt Lockwood, Tuscarora, Maryland, the great sire Cherry Hill Royal Mirth x by Edellyn Royal Leader 2nd was obtained. Through the purchase of the entire 80 head West Hatton herd owned by Foster M. Reeder, Mt. Victoria, Maryland, the good sire Cherry Hill Souvenir x by Collynie Compact x was secured, and the show and sale record of his calves provide proof that he is one of the greatest sires ever bred at Cherry Hill. The herd has gained greater strength through the use of Commander-in-Chief x, owned in partnership with Oakwood Farms, and his champion son, Sporting Field Chief x.

The Polled Shorthorn industry may well feel proud of the leadership of such men as W. H. McCeney, Jr. Any new prospective buyer who visits his farm will be inspired with the Sporting Field herd and the methods used in its operation; and any who seeks counsel will receive the honest advice of a man who really knows. Most certainly the standing of the owner in the industry and the quality of the cattle to be offered make this one of the most important Polled Shorthorn events of the year.

HAL LONGLEY,  
of The Shorthorn World.

West Hatton Flower Girl 30th x—We have never sold a better heifer than this beautiful daughter of Cherry Hill Souvenir x. She stood second in a strong class of junior yearlings at the 1952 International and, with her full sister, stood third in the class for pair of females where fifteen pairs were shown. We are retaining the full sister in our herd and this is the only reason for our willingness to part with West Hatton Flower Girl 30th x. A heifer out of the same dam is one of the good females in the Hi Ho herd. This heifer has been served to SF Chief x, our great young son of Commander-in-Chief that won the reserve championship at the 1951 Ohio State Fair.

Jealousy 22nd—One of our very best brood cows. In 1949 we sold a daughter of this cow bred to Riverdale x to Hunter Brown, Winchester, Virginia, and she produced a great herd bull. Albert Robinson leased this bull and is selling some outstanding calves by him in the 1953 Winchester sale. Jealousy 22nd x has at foot a beautiful red polled heifer calf born August 1, 1952, and sired by the noted Riverdale x. The cow was rebred in pasture in September, 1952.

SF Riverdale 4th x, a son of Riverdale x that was purchased in our 1952 sale at \$1,250 by Willow Brook Farm, Bayard, Virginia.

Archwood Chief x by Commander-in-Chief x as he looks today. This is the sensational bull that sold as a 3-weeks-old calf in the 1952 Oakwood Sale at \$2,900, a record price for a calf of that age. His dam was Sporting Field Clara x, the 1951 Congress champion female.

Cherry Hill Rosewood A x, a daughter of Edellyn Royal Leader 2nd that we value very highly. She is a permanent member of our breeding herd.

In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
